

## Catalogues

The Göttinger Universitätskatalog (GUK) lists all holdings of Göttingen University, including the BBK. The following URL offers the option to request books to be delivered directly to the BBK:

<https://opac.sub.uni-goettingen.de/DB=1.BBK/>

Please remember to select the desk where you wish to pick up the book. All terminals in the BBK provide the option to have books delivered to the BBK.

If the item you require is unavailable in the GUK, you may place a request for Interlibrary Loan in the Union Catalogue (Verbundkatalog):<https://kxp.k10plus.de/DB>

In the Union Catalogue you may search using Arabic script but so far only a minor part of the data have original script.

## Elektronic Ressources

To access e-journals, enter the title of the required journal in the GUK search interface. Links to electronic versions (if available) will be provided in separate entries, or in the title data for the print edition. Alternatively, you may search the Elektronische Zeitschriftenbibliothek (EZB) or Datenbank-Infosystem (DBIS), both accessible from the SUB homepage (see "Catalogues").

For digitized versions of older literature see EROMM: <http://www.eromm.org/>
